The Premises:

Top Floor Flat at Marylebone end of Baker St. Felt safe, even at that late hour. Entrance Hall and bedroom spacious and tastefully decorated.

The Lady:

As per the website, the description is accurate and the photos, although a true likeness, do not do her justice. Sarah has a really fit, sexy body, has a nice demeanour and is very friendly. She smiles often and I found her a real "Turn On". Sex on legs.

The Story:

I had not used this agency for a little while and liked the look of Sarah, so got in contact and arranged a late booking.

After a hike up a number of staircases, I finally reached Sarah's flat and was greeted by a vision with dark hair, in short skirt and matching turquoise bikini which made her look gorgeous.

In the bedroom, we settled the money side and I asked her if anything was "out of bounds". She does not do anal, and although she does do OWO, she asked me not to CIM. So, with the ground rules set, I undressed and Sarah beckoned me on to the bed, where we kissed and I removed her bikini top and fondled and kissed her breasts and neck.

Next, I laid her back on the bed and kissed her breasts, stomach and finally between her legs, gently at first, whilst playing with her sensitive nipples. We switched positions and Sarah gave me a BBBJ. I asked her to slow down as I could feel the sap rising and she did so, but kept me on the brink for quite a few minutes before asking, did I want sex. I wanted sex with her, but I was quite happy being teased with her excellent oral skills and would have continued with that if CIM had been an option. Anyway, Sarah produced a condom and rolled it on me, then mounted me "cowgirl" and ground her hips into my pelvis. It felt so good. The sight of her breasts bouncing up and down and the moans she was making nearly did it for me, but then Sarah changed to a squatting position and with long, slow strokes, brought me to an explosive climax. Afterward, we hugged & Kissed for a few minutes, I dressed and left, feeling on top of the world.

Sarah told me she is here for 1 month only. It could be very expensive for me as I shall definitely be seeing her again.... and again and again. In fact, I am so turned on by the memory whilst writing

this, that I might go back tonight.
