### The Premises:

End of terrace on a pre war estate, Very quiet, nice area, plenty of parking in the street, Inside was warm, clean and comfortable.

### The Lady:

41 years old, 5'9", blond shoulder length hair, slim but not skinny, perfect small boobs, in fact a body most 30 year olds would like to have. Attractive, lovely eyes and even more attractive when she smiles which she does a lot.

### The Story:

Saw a field report on Julie and something said go for it, When I arrived I was welcomed and offered a drink. We then went upstairs to the bedroom, got the finances out of the way and got down to some fun and games. This hour went by far too quickly. It was a total pleasure from the first kiss to the clean up at the end. I will never go into details as I think they are private to Julie and myself, but I will say this. It's the first time I have felt truly satisfied for a long, long time. Julie is a true gem and will see me again as soon as I can organise my shifts and finances.
