The Story:

My first Lady Marmalade party - probably not my last.

I had a great time.

Having checked out the girls photos on the website gallery I chose a day that Morgan would be present; her pictures look stunning.

I was dissapointed at first that both she and Gina didn't appear on the day as advertised.

However, Honey, Sarah and Robyn made up for it in their enthusiasm and energy - thanks girls.

My initial concerns about the 3 to 1 guy/girl ratio soon evaporated. The girls all made sure that all the guys were well taken care of and had a good time.

All three girls were great to talk to. I had loads of fun with Honey and Sarah. Afterwards I just wanted to cuddle them and take them home.

The other guys I spoke to were good company and easy going. Unlike some parties, no one tried to hog any of the girls.

Drinks & nibbles went down well at half time.

I even managed a second cumming - mainly thanks to Sarah's marathon efforts.

I was shagged out after the 2 hours - I don't know how the girls manage to keep going for another two 2 hour sessions.

All in all a great experience I can recommend and at ?100 for a full 2 hours of fun, good value.
