The Lady:

Katherine, Czeck Republic

Katherine is about 5'8" tall, slim build (she thinks she's fat!), I think mid 20s, black short hair and a tattoo on her back. She has a magnificent pair of tits, my guess is either a large C cup or D. they are firm and definitely not saggy. Once inside the room she told me to get undressed, so I did as I was told. I was surprised that I wasn't offered a shower - I have come to expect this as standard.

The Story:

She stripped off to reveal a rather shapely body, almost fully shaved, just a nicely shaped bit of pubic hair showing. She has a pierced clit too. She started with a fairly lame massage and used powder, I wasn't asked what I'd prefer but it was fine by me anyway. After a few minutes she asked me to roll over, which I did. She has really soft, smooth skin and hair and doesn't mind her nipples being nuzzled so I did a fair bit of that. I don't think she likes her pussy being touched but again, this didn't bother me.

Now, my cock is not small, I am above average (8.5") and when she started giving me a blow job (covered) I was amazed to see the whole of my cock disappear down her throat. She gagged a bit, but she took my entire length until her nose was jammed up against my stomach; unbelievable. I asked to change positions so that I was stood up while she continued to deepthroat me, and she willingly obliged, what a girl!

On to sex and I first took her doggy style but knew that I wouldn't last long after all that DT, so I rolled her over for my favourite - missionary style. I told her I wouldn't last long, she said, "That's ok, you can cum twice". So I proceeded to pump her full of my juice (well, the condom anyway). After that she lay down and masturbated in front of me while I wanked myself hard again. She then put on another condom and sucked me deep again. After about 5 minutes she said "I can't do it anymore", so I put my cock inside her and proceeded to pump her again. Unfortunately my cock just wouldn't stay hard so she just sucked me and swallowed the whole thing again. I didn't cum again but the feeling of being DTd was unreal.

Time up - again no shower was offered but that's ok, she made up for it in other ways. She has a really odd sense of humour but I really liked her, she has a nice tight body, a gorgeous set of tits, a tight shaved pussy and a very, very deep throat. Works all different days so ring and book her, she's worth the 60 quid.
