The Premises:

I did find it a little hard to find, but once inside was ok. Neutral deco, quite cosy. Not too bad an area.

The Lady:

Gorgeous!!! Blond, green eyes that looked straight through me, average height, but nice round bum and a nice big handful size breasts. V slim.

The Story:

Antonella is absolutely gorgeous. The pictures definately didn't do her justice. I have seen a couple other girls that weren't as good as their pictures on the net. We sorted the cash stuff out nice and proffesionally, when she started undressing me and asked me what things I liked?..'everything!' I said. She kissed me full on and then on the bed gave me an out-of-this-world OWO followed by a long session of energetic sex in lots of different positions. Oh boy! I felt as though Antonella really enjoy it as much as me and the time spent with her is 100% pure quality Our time was up too soon but she was a pleasure to be with. I can't wait to see her again!
