The Lady:

Same as in picture in the website. a bit on fat side with really big boobs. but that's what she is in her pics in the website. not a model look, but a pleasant girl next door look.

The Story:

She greeted me at the door. we got down to business after a i took aquixck shower. she gave me a massage and BBJJ. i them told her to lie on her back and massaged her back and big arse. I had a slow missionary sex after some foreplay, fingering her pussy and breasts sucking(who would not want to suck and squeeze and play with EE breasts). Finally i decided i would want to come in her mouth and she took off the condom and gave me one. After I came in her mouth she went to the shower.

Overall a nice girl next door experience, not model type look but good service. I felt at ease.
