The Story:

I have met Chloe before and she is the only lady I have seen twice she is so good you have to come back for more. In short she is a sex maniac and so skilled at what she does I defy anyone not to believe they have died and gone to heaven. She is good to talk to but when you get down to the sex she goes into overdrive, really enthusiastic, deep sensuous kisser, got me and herself naked really quick, perfect boobs, body, bum and pussy, all soft, smooth and fragrant. I really loved going down on her and she really seemed to enjoy it getting really wet. When she reciprocated she gave my cock the best BJ ever, a really good hand and mouth action and then some long slow deep throat, lots of spit, it was great. Finished me off over her tits, it went everywhere and she loved it, rubbing it over herself with my dick. After a short recovery onto the main event and she loved it, finished in the doggy position, finally she let me cum in her mouth and again she really got off on it. To end we had a warm shower together, no rushing with Chloe. Can't wait for my next visit when maybe she'll be bringing a friend!
