The Story:

I have to say that this was arranged with the agency without any problems. Spoke to Jen on the phone, asked to see Sara, called me back and texted me the address.

Was greeted by Sara with a kiss and then offered a drink and some strawberries. Very nice touch.

Sara was in high heels and a wrap around dress that nicely showed her figure.

Jumped into the shower to freshen up and afterwards was pulled on to the bed, after Sara's dress was disposed off. She has a lovely smooth tanned skin that asks to be caressed and kissed. Her breasts are enhanced but nevertheless great to kiss and play with, which was appreciated.

Sara kisses with a fiery latin passion, all over and deep when our mouths met. At one stage I had to

break off to breathe. I wont mention the rest of the time together, but I add that it was fantastic, wild and passionate. Sara likes sex as if it was in short supply. She is intelligent, witty and also great company to be with. The time with her was not enough to explore and find out more of Sara.
