The Story:

A true GFE. Kind, sensual and willing from the moment I walked in the door.

After the obligatory shower we kissed for quite some time while I slowly undressed her. She has a great body, and I got very turned on. She gave me a good OWO, and I came unusually hard in her mouth. The only bad thing I can say about this punt, was that she took my dick out of her mouth almost the second I came, so it was more of a CIF than a CIM.

Afterwards we shared a cigarette and a chat. She speaks very good english for a EE (apparently she's taken language school in her home country). She kept complimenting me on my appearance, which is good for the self esteem. All through the chat she was touching me and trying to get me hard again.

Round to was OWO, cowgirl and doggie. She gave the impression of enjoying it (thus adding to the illusion of a GFE), and I know I had a great time in that tight pussy.

Enjoy.
