The Premises:

Top Floor Flat in Maida Vale area. Nice neighbourhood, but those stairs..... Be fit before you attempt them. The flat itself is quite nice.

The Lady:

Photos are genuine. Shorter hair and no touch up. Nice looking girl, but not as nice as her photos. Fit figure, though. Latvian rather than Russian.

The Story:

I can't remember the last time I enjoyed the company of a working girl less. She is good looking, friendly, etc. but just didn't engage. No kissing, no massage (her nails are too long). I'm not complaining about the Oral, which was competent, but once over she just lay there. No chat, no interaction, nothing. I was reminded of one of those dummies you still occasionally see in shop windows. I am sure she is perfectly nice, its just that there was no connection WHATSOEVER!!
