Tall buxom big breasted lady with black hair. they say she's italian but she's not really. She's about size 12-14 38EE cup

### The Story:

If you're a lover of BBW then Nicole is like Christmas come early.

Nicole is not fat but she is more rather a heavy set woman with tons of sex appeal and has the most amazing pair of breasts i've ever seen.

In the bedroom she's totally comfortable doing what she does, not like some of these new young EE girls. Nicole really enjoys sex and can really handle a good seeing to.

My only gripe is that she doesn't really kiss. You might get a little peck if you're lucky, but her service is so outstanding that I'm willing to see past that one little thing.

I think I'd find it very hard to get tired of nicole.

By rights I shouldn't even be telling anyone about this little east end gem.
