The Premises:

Nice, clean place. However she was not there when I arrived (on time), and I had to wait outside for quite some time. Very uncool.

The Lady:

Pretty much as per website. Slender, tall with good looks and nice skin.

The Story:

Tried hard to avoid anything remotely related to sex. When i came in she offered me a drink, which I accepted. After using close to ten minutes to find the drink, she said she was going to have a cigarette. She went to find her cigarettes for another five minutes, after which she sat down on the other side of the bed smoking it. I was getting impatient, and asked if we could kiss a bit. She obliged (although not very enthusiastically), but made an effort not to touch me or allow me to touch her to any extent. I got bored, and asked if I could undress her. She obliged again (although seemingly uncomfortable). I then asked for a blowjob, which she did decently, but I was not allowed to touch her pussy or ass while she was at it. The whole thing was a complete turn-off to me, but i forced myself to come in her mouth, before getting dressed and I left almost half an hour before my time was up.

I am a polite, fit and clean 30 year old man, and there is no reason for a working girl to so clearly show her distain for me. She was happy to relive me of my money, that's for sure.

I'm thinking it might be because I had reviewed a previous girl at the agency website, and collected a GBP 10 discount. Maybe she was pissed to be getting paid less than usual.

Anyway, avoid this one.
