The Premises:

City centre apartment, very clean and tidy, easy parking very close, but if full very close to all the main city centre apartments. Felt very safe as it seemed like a pretty classy area.

The Lady:

WOW, what a woman, curves in all the right places. as for her 34dd, they are amazing and very suckable nipples. gorgeous pussy very lickable with a nice sweet taste to it. she was 5'6 and every inch was all woman

The Story:

well it was my first time with an escort, so very nervous, but made me feel really comfortable and relaxed. she started off with a lap dance which was amazing and got the little soldier straight to attention. then a toy show which was fantastic, even got me joining in with my fingers and when they were covered in her juice she kept on licking them dry. Then on to the oral, boy does this lady know what she's doing, hands, tongue, lips and even tits. then she moved round into the 69, i would of paid just to have that sweet juicy pussy in my face. thanks for an amazing time paris, hope to see you soon.
