The Premises:

A very small but nice apartment in a renovated house. A nice area and the apartment was clean.

The Lady:

Adriana is tall, has a nice face and a wonderful body. Her tits are simply gorgeous and her bum too. She has blonded hair and wore fake eyelashes. She mentioned being annoyed by having a slight tum but I don't mind at all and told her the roundness is very feminine. If you want absolute washboard flatness then consider other options. Otherwise a real stunner who took my breath away and made me want to run my hands all over her.

The Story:

Adriana is a warm loving caring considerate and sexy woman who truly wanted to make me have an enjoyable time. This was my first ever visit to a working girl (honest truth) and I told her so. I was nervous but thanks to her honest open caring i slowly unwound and had a great time. Adriana enjoys talking and also listens well. I liked the talking and I got the impression we were free and frank with each other, sharing secrets and laughing. On the more physical side, Adriana has a deliciously tight pussy and her hip rotations were just delicious. When the time arrived to leave I felt a bit down since a spell seemed to have been broken. But I will visit her again and I look forward to it with keen anticipation. Adriana thanks for your warmth dear lady! p.s. there is a negative report about her which is absolute rubbish.
