The Lady:

Website pics were flattering. Somewhat chubbier and less attractive than on photos.

The Story:

Decided to try a punt with no reviews, as the pics on the website caught my eye and previous punts with this agency were good thus far. So was disappointed when I arrived to find her not as put out in the website. Lady was not my type; chubbier and with a slight tummy. Took the offered shower. Proceeded to lie and bed and chat. Started kissing her (no DFK), then moved on to suck her nipples and stroke her below. Followed by some reverse oral. She was really wet and shaking. Surprised me by reaching for a condom and putting it on me (thought I would be getting some OWO first). Proceeded to missionary and the doggie, and shut my load in her while grabbing on to those okay tits. 20 minutes gone - she excused herself and came back in 5 mins wearing a towel. Lied down and chat a bit. Her English was not good, but ok. Waited patiently for round 2 and perhaps some OWO but it never came, and I got a sense that it wasnt for offer. She just continue to lie next to me. Hours up and I leave partially disaapointed, cos she wasnt as pretty as pics, and partly because I didnt get any OWO or a 2nd shot. Money best spent elsewhere in the future. Not my type at all.
