The Story:

On my first visit was torn between Summer and Anna and was determined to try out this lady as soon as I could. As soon as she entered the room, she remembered me from my previous visit, even though I had not visited her! The massage was great, oral was even better. She discovered I was ticklish by accident and made me pay for it several times. Anna has very long hair and as this is one of my favourite parts of a lady, she brushed it over me many times, making my old man strain. The sex was brilliant, I've not cum so hard in a long time, and talk about wobbly knees afterwards!! I couldn't move for 5 minutes.

Will I be back, you bet, only this time I'm going to try out the hour long session!!
