The Premises:

Nice part of London, easy to find and get to (circle/district line permitting!). Felt safe and inconspicuous as there are 15+ flats in the block. Top floor apartment - take the lift. Laima has recently moved to this place and is putting her mark on it. Large spacious bedroom with small sofa.

The Lady:

The new pictures don't really do Laima any favours. Accurate in a way I can't describe - maybe they're more reflective of her character. This was my second time with Laima so that must say something!

The Story:

Top marks to 90 Minute first off, again they had passed on to Laima my requirements for how she dressed and I was very happy to arrive for a session with my secretary this time (last time it was very sensual red corset, suspenders and matching red fishnets). Laima seemed pleased to see me again, which was nice, and I had decided to go for a second punt as she had been so understanding of my performance on the first time. Well, it must have been nerves, I was ready and more able and had a wonderful time. Lots of passionate kissing and cuddling before she moved down for a BBBJ. I stoppoeed and asked if I could go first and she was happy with this. Laima has doem "jewellry" downstairs and the sensation of this on my tounge with her moans was brilliant. Very clean and lovely p**** l***. After a short while moved to s** with Laima on top so I could enjoy her superb breasts - all real and firm with really pert nipples. After I c*** she has a quick shower and then gave me a beatifully relaxing massage that was very welcome at the end of a crap week at work. Tried to arouse me again but needed to have another go at her downstairs which always gets me ready. However, a second round wasn't to be, just too tired.

Laima - thank you and I will be back again.
