The Lady:

Aged 19, she told me, and I believe that to be accurate. About 5' 6" tall, slim, with (I guess) a figure of around 34B-25-34. (This is in real inches, not massage parlour inches - she would probably be described as 34C-22-34 by most parlours). In other words, she has a beautifully slim figure, looks fit and well-toned in a feminine way, and has well-shaped and streamlined young breasts. Brunette. A friendly face, and a nice smile. Down below, she is fully shaved. Overall, I rate her as very attractive. The photographs on the Georgian webpage give an accurate impression of her.

The Story:

Bubbles (who invents these names?) is a very pleasant young lady, and I enjoyed her company for the half hour I was with her. I prefer a soft and relaxed girlfriend experience, and always try to avoid anything at the hard-porn end of the market. Within this constraint, set by me not her, Bubbles was an excellent choice. Her attitudes are mature for a nineteen year old, and she interacts well with the customer.

What I particularly liked about her was her relaxed attitude to it all, which helped me to relax too, and enjoy what she had to offer. She kissed gently and intimately, and seemed to enjoy it. She did not make any fake orgasmic noises, but instead did something much better - she gave me, from time to time, a little smile of encouragement. More subtle, more arousing, and far sexier, than the badly acted orgasmic noises that some other girls make.

I recommend Bubbles for those customers who are seeking a gentle, relaxed and intimate girlfriend experience with an attractive young masseuse. [NB For all I know, she might - or might not - do a lot more than this with other customers who ask her for a more extreme service. But you will need to wait for another reviewer to find out].
