The Premises:

The retreat is clean and safe, within easy walking of Earls Court tube. Maid is pleasant and friendly, offering drink and chance to settle and relax. The establishment is well equipped.

The Lady:

Katrina is beautiful, slim and with long fair hair. She is Eastern European with a very sexy accent, speaking fluent English with no problem understanding my requests. She is also very pleased if you speak a little Russian to her, so check out hello in Russian, guys. You will not regret it.

The Story:

I have been visiting the retreat for a number of years and have always had a great time, hence I keep returning. Some of you will remember Victoria, Natasha, Ava and more recently Sylvia. I can honestly say Katrina was the most enthusiastic girl I have met at the Retreat and the most fun to be with. I will not go into details of our session, but it was a torture and tease scenario.

Katrina carried out her role brilliantly giving me exactly what I wanted and giving me the impression she really enjoyed doing it.

I thoroughly recommend this delightful young lady.
