The Lady:

When I could eventually tear my gaze away from Nina's slim but well proportioned sexy body and her very ample cleavage, I was greeted by the smile of an attractive, confident, and extremely intelligent young lady. A very good start indeed!

The Story:

Having taken a little time to get to know one another, I realised what a fantastic morning/afternoon I was in for!

Foreplay was a joy, what breasts! Large areola, (I hope I've spelt that correctly, the large disk around the nipple) very sexy! Her earlier promise was implemented to great effect, (she did oral sex the away every man hopes an escort will do it) I was in heaven! I needed to get some lead back into my pencil, so we took time out while I recuperated, before we starting once more, this time with her on top!

My time with Nina is one that I will not forget in a hurry! I had her full attention of the whole two hours, to the minute.

In all my time as a punter I have never known such "dedication" by an escort, to the pleasure of her client, What a lady!
