The Premises:

Easy to find, close to Earls Court Tube, well-equipped and well run. Clean and safe establishment.

The Lady:

Katrina is a drop dead gorgeous stunner! Beautiful body with perfect breasts and a peach of an ass and heavenly pussy! She is Eastern European but speaks perfect English with the added bonus of her very sexy accent.

The Story:

Having visited Katrina at another establishment I was curious to try her in a new role. Just as beautiful and persuasive as I remembered, she has taken to it with great enthusiasm - it was interesting and thoroughly enjoyable to see a different and darker side to this beauty.

Made an appointment to see Katrina at 7:00pm arrived a little late- bloody tubes! Was shown into waiting bedroom with a nice glass of wine then through to main room/chamber to meet Katrina- she remembered me and gave me a cheeky kiss and a stern smile - She looked absolutely stunning, dressed in black PVC bra and knickers outfit with fishnets and thigh boots.

We chatted for a while - Katrina put me at ease, listened to what I wanted and spiced it up added to it with her own imagination- just listening to her list various tortures and punishments was a turn on alone - her foxy accent felt like I was being tortured by a sexy KGB agent!

So I opted for a sensual 'tie & tease' light bondage/domination session. Katrina left the room and I stripped off and as instructed by Mistress Katrina. For then on I was her sex-slave, I was tied to the cross, then tied my balls and cock with a silk stocking which was already rock hard - Nipples nibbled, bit and clamped then caressed gently, cock stroked slowly - I was teased to the point of no return all the while whispered what she was going to do to her slave and reeled off punishments I deserved because I had been a bad boy! She was a very convincing and strict Mistress.

I was told if I showed some respect to Mistress I could suckle on her pert breasts and if I was a good boy Mistress would sit on my face so I could lick on her divine pussy juices!! If I was really good she would let me fuck her hard from behind til I pumped her pussy full of cum like a good slave!!

Boy does Katrina know how to turn me on and keep me erect and bursting to come- my whole body was quivering when I finally did! Finally after solid session of exquisite and intense torture and tease I was allowed to receive my rewards- I was in heaven and left the retreat feelin like the most fulfilled slave in town!

Katrina is a natural beauty and a natural Dominatrix- she is indeed a Dom-goddess and I am glad to be her humble slave.

Highly recommended.
