The Story:

I've seen Robyn on several occasions over the last year or so. She is one of the few escorts I've met who give real value for money. By her own admission, she doesn't have the body of a 20 year-old Page 3 girl, but she's more than willing to allow you to explore it! She gives great OWO, reverse O and is happy to do CIM as well.

The usual format is a cup of tea and a catch up chat in the front room before moving through to the bedroom. Robyn is a great kisser and it takes no time for things to start happening. After round one, there's another tea break, and then it's back to the action!

Robyn is in my all-time Top 5 escorts and I've seen quite a few over the years. She is well worth the 50 mile round-trip I have to make to see her. Treat her well and show her the respect every woman deserves, and you'll have a great time - trust me!
