The Premises:

Scorpio - my favourite sauna, been going there for years. Parking getting a bit harder, due to new housing developments.

The Lady:

Louise is mid 30's tall and blonde. Must be 5'9 - maybe more in heels. She is very chatty and friendly. Few other girls there that I have had the pleasure of, notably Trisha, but she was busy so I went for Louise.

The Story:

Thought I had better write a report, as I haven't done for a while and I now only report exceptional punts. I've also found that a lot of my recent write-ups have been binned at the girl's request. This may have something to do with the revenue publicly saying they were looking to target the vice trade.

Well this punt was exceptional and proves the theory that experience wins over youth. I chose Louise because she had just had a spanking session with a punter and been left with an arse a baboon would be proud of. Lots of big angry hand prints and weals. Immediately I think 'she's game' - and she was.

Went to the room and had a good massage - plenty time taken. She then asked what kind of things I like and most importantly, she listened. What followed after was sheer bliss as she makes every effort to ensure you leave satisfied. I asked for the usual, plus a bit of biting, scratching and a few smacks on the arse. She nibbled and bit every part of me, sometimes quite hard. She paid a lot of attention to my cock, it has to be said, and I came big-style. Throughout she kissed, bit licked and sucked like her life depended on it.

This was a top quality punt. I left happy, balls drained.
