The Lady:

I asked for a mature blond lady and got one...a beautiful 49 year old who kept herself fit and very smartly dressed.

The Story:

When she arrived I knew I was going to have a great time as she was chatty and friendly. With all the paperwork out of the way (CC accepted) she lay down with me and started to kiss with full tongues. This was sensuous and slow like a real GFE. We fondled each other and soon I had worked my way down sucking her beautiful big breasts and finally down to her panties which I took off to reveal a gorgeous shaven pussy. This was heaven for me and I spent a whole hour just licking, sucking and fingering her. She enjoyed it so much that she pissed on the bed several times which I must say tasted sweet. Next time i will have to fuck her. Great lady and great time.
