The Lady:

Blonde, Tall and Busty. Well toned. Much better looking than her photos. Very friendly, smiley and attentive.

Special point on Agency: Susan manning the agency's phones was excellent- she provided friendly advice and recommendation, kept me informed and even wished me good luck. Highly commend her attitude and the agency as a whole

The Story:

GFE, Oral without, Cowgirl, massage

Nice bikini outfit initial greeting. Straight into cuddles, kissing, oral (equisitely deep)- i dont think she does CIM. Short break then good sex. She has excellent pelvic floor control. Round 1 was complete, brief massage.

I had wanted to try round 2, but she said only 10 minutes were left. I didn't want to push the issue as I had thoroughly enjoyed the experience thus far. Courteous polite and genuine throughout.

I am not used to paying this much, but was on a treated business trip in London. I recommend for GFE and personal touch, but if you want raunchy pornstar cum twice service then she may not be the one
