The Premises:

McCoys massage parlour guide gives this place 5 stars and I can see why. A top class establishment with top class girls but without the top class prices. I wouldn't go anywhere else. So discreet you will actually have to hunt to find it.

The Lady:

Very slim and pretty asian girl with a cute pert little butt. Friendly and chatty and ideal if you are a first timer. Also has a rather good line in dirty talk which I find a real turn-on.

The Story:

I started by kissing her lovely body all over. She enjoys this and particularly likes having the insides of her thighs kissed. Then after going down on her we went into a very exciting 69. For the 'main course' it was sex in three positions. This girl is enthusiastic and genuinely enjoys it, and is highly recommended.
