The Premises:

In mansion block - OK and in safe enough area on Lancaster Gate side of Paddington.

The Lady:

Tallish girl with long blonde hair, and wonderful firm boobs not shown in the photos. She tends to look stern, even Gothic in the photos, as she does not smile in them, but she is very attractive when she does. Monica told me she gets some clients looking for a dominating girl as a result, but I did n't find out how she copes with that.

The Story:

Had 2 very enjoyable bouts of OWO, sex etc with a nice chat in between, I need a bit of recovery time so I go for 90 mins. Twice in an hour becomes a race for me. Monica is a very nice girl to talk to, but "fluent" is a bit generous for her English. "Conversational" would be nearer the mark - she is taking English lessons. I certainly intend to see her again if she stays around.
