The Story:

Made to feel very welcome upon arrival and offered refreshments whilst waiting.

After a couple of minutes Katrina came into the room. I was struck by how good looking she was. Although being from Eastern Europe her English was excellent and she quickly understood what I desired.

She then proceeded to give me a session which was fantastic. Katrina is a very sensual person and is very adept in providing pleasure as a reward for the pain that she enjoys inflicting.

Will definitely be back for more.
