The Story:

I had arranged the appointment for 3pm but arrived three hours early to a rain sodden Bedford expecting to kick my heels around an unknown town, but a quick call to Abi changed all that. Following directions I was soon enjoying a cup of tea with a very friendly young lady who did her best to put me at ease.

Following tea and a little chat it was upstairs for a little watersport followed by an assisted shower then onto the main event. Abi provides a very accomplished massage with just the right amount of pressure. If a massage is not for you then the oral is worth the visit alone. Reverse oral which I particularly enjoy gave me the opportunity to enjoy a sweet tasting pussy and I think Abi enjoyed it as well. Cowgirl sex from an enthusiastic companion is always enjoyable and Abi was certainly enthusiastic.

If you ever find yourself within 100 miles of Bedford you could do worse than take a detour and enjoy a few hours with a very accomplished lover. I will certainly be back as soon as circumstances allow.
