### The Premises:

Victoria House as mentioned by many before is extremely clean and you are made to feel welcome and safe , the only problem is that you do meet with other punters.

### The Lady:

Petite black country lass greeted me in the waiting area , took me to the room , good looking around 30 years old but everything in place.

Extremeley talkative and made me feel relaxed.

### The Story:

Went for the full personal , but started off with a nice massage ,with nice ball stroking , Alex then asked me to repay the honour so i gave her a quick massage , even down to the lovely trimmed pussy , this was all done on what seems like an operating table so it was then on to the couch where Alex performed great oral (with) and then onto sex in three positions , till i climaxed . A cracking little punt and well reccomended.
