The Story:

The door was opened by Jo who told me there was a choice of two ladies. She was one and the other was Tesha a dark haired lady with 34B tits. As I like girls with big tits I decided to go with Jo who was wearing a sexy short low cut dress and not much else. She took my hand and led me to the bedroom squeasing my hand as I followed her. We talked about what I wanted and settled the finacess and she left the room saying I wont be long make yourself comfortable,I took off my shoes and socks and sat on the bed. After a short time Jo returned dressed as I had asked, "as a sexy secretary", she looked realy good in a very short skirt, tight blouse and high heel shoes, the top three buttons were undone and her lovely tits were on display almost falling out of her skimpy bra. I asked Jo to sit next to me as we were not going to do any office work and we were soon carressing each other, she had her hand on my cock which was very hard by now and I hand my hand inside of her blouse playing with her tits and hard nipples. After we got up from the bed and started to undress each other, Jo knelt down an took off my trousers and shorts releasing my cock and she then started to run her toungue over my balls this felt great but it was time to undress her so she stood up still holding my cock and let me take off her blouse, her tits looked inviting so her br was soon on the floor. It was now time to see what was under her short skirt, my hand slid up her leg to reveale she was wearing a tiny pair of knickers and I could feel her pussy was getting very wet. It wasnt long before her skirt and knickers were on the floor whith her bra. We both fell on to the bed whith hands alover each other, she slid down my body and took my cock in her mouth giving me a wonderful BJ but I had to stop her before I shot my load. She then asked me to toungue fuck her which I was pleased to do, she was very juicy by now and it tasted good. Her pussy was pushing up into my face in a rapid movment and with her moaning and rubbing her nipples, it wasnt long before she gave a loud shout as she pumped her sticky juices all over my face. (what a lovely taste) It was time for me to give Jo a good fucking which she was begging me for, we both like the

doggy style so she put the rubber on got off the bed and bent over the edge and guided me into her wet pussy this was sheer lust for both of us and it wasnt to long before she came again and I had to unload at the same time. We both fell onto the bed totaly shagged out. After a short rest it was time to clean up and get dressed. This was a truely amazing punt and one which I will repeat as soon possible.
