The Premises:

A private apartment above a shop with a discrete entrance. The location is situated close to a road junction but the speed of the traffic means you can enter and leave without having to worry about being seen. Plenty of on and off road parking in a safe area.

The Lady:

Petite, with a real page 3 figure and a beautiful face. Her shoulder length hair is streaked blonde over brunette in the latest style. Age about mid-twenties.

The Story:

When Melissa entered the room she just looked stunning, a beautiful smile of welcome and a warm personality. All this together with a fantastic slim figure with large boobs.

She is very, very good at her job and made me feel very special. I'm not going to disrespect the lady by going into details I'll just tell you that if you like classy ladies, with both personality and a great body you'll be well pleased.
