### The Premises:

Discrete ground floor maisonette.

This place doesn't take appointments and is first come first served, so to speak.

### The Lady:

Early twenties with bumps in all the right places.

### The Story:

I had a twenty five minute wait, she must be a popular girl, so I opted for the GFE. She started work at 11am and was working there until about 10pm. By 7 o'clock she was tired.

Everything was great but it all seemed a bit rushed.

I would certainly return to see Louise again but I would try earlier in the day.
