The Lady:

As per the website photos, although her face seems softer when you meet her. Blonde, about 5'5" (although when I met her, she was wearing silver, spangly platform shoes - with 5 or 6 inch heels - and precious little else). Very pleasant to talk to, as well.

The Story:

An excellent punt. Sabrina let me in, wearing those heels and the briefest of thong and bra. God she looked good ! Asked if I wanted a shower, then excused herself to use the shower herself. What followed was a half hour of non-stop kissing and oral sex, culminating in a 69, where she blew me to an almighty climax. I seemed to pump for ages.

As I was getting dressed, I realised I had not paid her. I had had such a good time, I felt she was worth a bit extra. I paid up and left with a big smile on my face.

If you read this Sabrina, thanks !
