### The Premises:

Has moved into a nice new flat but bedroom was a bit smelly and the sheets looked like they were there for quite a while!

### The Lady:

Curvy redhead with soft !accent, full breasts and hips

### The Story:

Was desperate to experience her oral skills again and just lay back and allowed her to suck it all out of me with her unbelievable technique, she swallowed the lot despite choking slightly at one point! Then massgae for ten mins before sucking back to hardness and onto anal but was unable to manage a second time!

Good visit, smelly bedroom was a bit offputting though!
