### The Premises:

Looked like she wasn't the only one using the flat, had a weird collection of toy cars, very strange!! Safe enough and wasn't driving so parking not a problem!

### The Lady:

Much prettier than her pics which she looks older in, much younger in person, great breasts, toned body, absolutely fabulous!!

### The Story:

Was really there for the oral, good massage then turned me round for the main event, absolutely brilliant, has a way of using her teeth on the upstroke that sent tingles down my spine, had to hold back a few times, she asked me why I didn't want to have sex, told her I was enjoying the head too much, ended up kneeling astride her head and fucking her mouth till CIM, bloody good but agree with the previous guy, felt like I had missed out by not shagging her!!
