The Premises:

Nice apartment which was clean, well decorated and in a discreet location although you do have to go down a alleyway to find the place but this just adds to the discretion you get when coming out or going in.

The Lady:

After seeing Reena on the website i was keen to see this lady. Although a littele shorter then she appears on her website she is absolutely gorgeous. Indian, Slim, tight, lovely hair. Appeared wearing very sexy outfit.

The Story:

When Reena entered th room we sorted the formailities out and she then began to massage my inner thighs subtly brushing my cock as did this. I then pulled her forward and we proceeded to kiss which was a nice french kiss. Reena then asked me if "i would like to eat her pussy" so i obliged. She was very sweet and made the right noises. She returned the compliment with an uncovered BJ which i felt could have been more enthusiastic. On to main course and on with the rubber and into doggy. I began slow and worked my way into a full hardcore banging. I fucked and pounded Reena from behind as hard as i could and she took it like a pro! What a sight with that tight ass in my hands and that slim waste. I then climbed between her and a quick mish with me exploding inside her.

Excellent punt and well worth the money.
