### The Premises:

Well known. You're always very well looked after while sitting in the waiting room at both Sandys' branches.

### The Lady:

Gorgeous slim, busty girl in her 20s. Her ethnicity is a slight mystery (see below)

### The Story:

I was a bit mystified meeting Leah for the second time after a year or so's gap. I remembered her as being black, or at least mostly so. This time she appeared white, at least almost completely so. The pictures on the website are, I suppose, ambiguous but they come much closer to how I remember her the first time. All very confusing: this clearly isn't a case of Michael Jackson behaviour, so what happened? Presumably it's to do with her being "half-Brazilian". Anyhow, I'm not complaining, because she's still as gorgeous, just in a different way. And she's very friendly and very versatile. Started off with a superb body-to-body massage, made all the more delightful by the sensation of those splendid breasts running sensuously along my back, and this led on to lots of other delights, the details of which I shall spare you. Leah is of course well known as a highly accomplished performer and she did not disappoint.
