The Premises:

As has been reported many times before, Nadia's workplace is a small flat behind a shop. It is a bit ramshackle inside but was clean - more importantly it was quite cool indoors, which was nice because it was a very warm day. Located in a very safe residential area, parking is easy. Punters should feel very comfortable whether it is day or night.

The Lady:

Nadia is skinny - I suspect that she is an addict of some sort. She has some small bruises on her body and a scar on her tummy. Would guess that she is mid-twenties. Very small breasted but with very long suckable nipples! Long shapely legs and a sweet tasting shaven pussy that is incredibly tight. Facially I would say that she is quite pretty - a nice smile and lovely long dark hair complete the package.

The Story:

I'd had a stressful meeting in Bristol and needed relief! I had put Nadia's number on my phone many months ago but hadn't gotten around to checking her out. I called and she was free. I only wanted oral as I was in a suit and didn't want to get too hot and sweaty fucking on such a warm day. ?30 for a long sloppy BJ was agreed upon.

Nadia is very nice and friendly - she kissed me within a few seconds of my arrival. During the whole 1/2 hour that I was there we french-kissed a lot, gentle to start with and then far more passionately.

We both stripped off and got on the bed. We kissed for a while and then I sucked her nipples. She gave my member a good wank whilst I sorted out her nipples! I then decided to taste her cunt - it was good, very good. I got quite carried away and made her cum. I managed to get two fingers up inside of her as well - she is very tight!

She then went to work on my cock. A fabulous uncovered BJ ensued. She licked gently and then with pressure. She licked my balls and right up and down my cock. We stopped for a few moments and kissed again before she deep-throated my entire member. After some vigorous deep throat I felt the sap rising and came in her mouth! Wonderful.

She doesn't swallow - spits it out - but who cares? I like to jizz in a girls mouth, I don't care what happens afterwards!

Overall, a great punt and good value for ?30. The full works is ?50 and I might be tempted next time, especially now that I know how tight Nadia is down below. I wasn't rushed at any time, at one point I even asked her how long I had left. She said not to worry and to stay for another ten minutes!

Lovely girl, well recommended. I'll be back!
