The Story:

Hayley, met me at Edinburgh railway station and we went around to Angels she was a bit pushed for time but very accommodating even though I'd only phoned her in the morning. We went into the room and talked while we undressed each other kissed and cuddled. I got to suck on her big boobs for a bit and feel the weight of them in my hands. Then it was onto the leather bed I was already hard, she asked me if I wanted a shower before we started but I was OK. So she slipped on a condom with her lips and gave me some O which was very nice! She then got on top and rode me cow girl, with those big boobs flapping in my face it didn't take me long to have an intense climax. We lay then and kissed and cuddle, I gave her some O but didn't really have time. I'll book her for more time next time because she really is worth it. We finished off with a shower together which was very nice.

I stopped and chatted to the girls in the Parla and had a coffee and went on my way.

I will be seeing Hayley again the next time I'm in Edinburgh and if your in Edinburgh and you fancy a punt then she's the best. Hope to see you soon Hayley, Eddie XXXX.
