The Premises:

Ok flat felt safe with a good guarded NCP at the end of the road (well worth paying rather than risking the evil traffic warden)

The Lady:

Tall very very pretty, stunning blue eyes and the slightest hint of freckles, if she needs to marry and English man for a visa i volunteer first.

The Story:

Earlier today i had the worst punt of my life and was totally ripped off so i tried a different agency and they recommended nina who is new to them.

Wow this was the best punt i have ever had, my legs were actually shaking when i got into the car. Rather than boring you all with the details i will shorten to this.

Great BJ with cim also she can ride better than any cowboy in a rodeo, that was stike two. BUt still there was time on the clock so no messing about with Nina she goes straight down with more owo untill i was ready for round three this time doogie followed by mish with legs over shoulders etc...stike three, but she still was not finished, Off with the condom for more owo but this time i was shattered, this is the best escort i have ever had forgive the spelling but as a Russian would say 'borgia moi"

I will be back
