The Lady:

beautiful slim Indian girl early 20s at most lovely small breast and hard nipples

The Story:

Anjali was very friendly and attentitive she gave me a fairly decent massage but i wasnt there for that.

She gave a nice blow job covered and I got to taste her lovely pussy.

Followed by good sex in various positions all the while Anjali was making sure I was happy.

We then had a bubble bath together and talked about the world.

This was just what I was looking for an intelligent conversation with a beautiful girl in a bath being played with and playing with.

back to the room a 2nd go was offered and encorouged but as a 50+ year old those days are few and far between. I will definately go back
