The Lady:

Pictures on website are definitely her, but she was a lot slimmer when those were taken. Erica is quite stocky and well padded, a huge disappointment. Her breasts are huge but saggy and generally quite a let down.

The Story:

Erica is mad. This was the worst punt ever. She was very confident and forward, ordering herself a drink as soon as she arrived in the bar. In the bedroom she got completely nostalgic about Russia and her BROTHER of all things - real turn off! Then she was crying and wanted to leave but she didn't want to give any money back! Eventually I insisted on taking 150 back out of 600 and asked her to leave. She phoned the agency the next day and complained that I was too aggressive!!
