The Story:

i have met rebecca a few times now, under other names from a site that cannot be named, but now she has started working for this agency. i arrived early as traffic was very quiet this day, so waited outside in my car, rebecca turned up early & saw i as there so txt me to say give here a couple of mins then ring up & she would let me in. i was there mainly to take pics for my personal collection (she doesnt do this for every body) so we sorted out various outfits which she posed in, then as she had the usual effect on certain parts of my body, which she noticed with a dirty grin on her face, she proceeded to undo my trousers & give the most mind blowing oral i have ever recieved (since our last meeting anyway)we then layed on the bed where i gave her some well desrved attention & it wasnt long before she was climaxing (there is no faking with this lady) & boy she is a gusher when she cums. after a little relax & more pics we proceeded to enjoy each others bodies again, more oral from her while i tasted her moistness Mmmm. before long i was struggling to hold back so she covered my old man & i entered her slowly, but didnt last too long after all the oral i had recieved. after i shot my load we just laid there for a while with me still inside her while she used her muscles to extract every bit of juice from me. then onto the clean up operation & sadly i had to go. until next time
