The Premises:

Nice modern apartment. Very clean, smart and felt very safe. Located in new complex, just outside the city centre.

The Lady:

Gorgeous brunette, about 20 years old. Long hair, big boobs, amazing legs, great arse. Very pretty too.

The Story:

Arrived and was shown in by Jessica. She was wearing a see-through black dress and high heels. No stockings, I suppose because of the weather, but with a tanned body like hers who is bothered?

Anyway we had a nice chat on the sofa before I took a shower. We then started kissing on the sofa before Jessica led me through into the bedroom. Once inside Jessica stripped off and we got down to action. Lots of kissing and exploring of one another's bodies. She gave me OWO, and I returned the favour. Jessica had a clit piercing which I hadn't encountered before, which was also nice. After lots of oral we got down to the sex. Jessica started off and top and made herself come very quickly by grinding her piercing. We then switched to doggy, Jessica again making herself come with a very noisy orgasm. My turn, and Jessica turned onto her back with her legs in the air as I finally came as well.

All in all a good time with a hot girl with a great body and great enthusiasm.
