### The Premises:

Julie's is situated just outside Billericay in the middle of a housing estate. The place itself was very clean and I felt extremely comfortable during the whole time I was there. I have been to many brothels and this rated very highly with me. From the moment I arrived I was made to feel very comfortable and all the rooms I saw were fairly luxurious compared to most places I have visited in the past.

### The Lady:

Sarah is a very attractive brunette/blonde. I would say that she is in her mid thirties. I had a choice of two ladies but I chose Sarah as she looked stunning in her red dress and was so genuinely friendly from the moment we were introduced.

### The Story:

After choosing Sarah, she led me upstairs and I was given a choice of rooms. All of them looked well furnished and clean and I chose a room with wall to wall mirrors.

Sarah made me feel very comfortable and took her time making me feel at ease and talking to me about what I wanted. Even though I have several fetishes I usually settle for straight sex as I often find it difficult to explain these to the women but within 10-15 minutes talking with Sarah along with her subtle prompting, I suddenly realised that I had discussed all of them and from there it was really easy. She has many genuine kinks of her own and once discussed and agreed I settled on a tie and tease scenario. Sarah is very flexible and I don't think I have ever met a more genuine working girl who really seems to enjoy her job. She had an endless number of props and I ended up tied to the bed in a spread eagle position. I could go on forever but to cut a long story short, I had an amazing time. Her oral skills were so fantastic that I came fairly quickly but she just carried on and before my hour was up she managed to make me cum again. I really haven't experienced this before as the standard practice seems to be that once you cum you are pretty much hurried out of the premises. The whole thing was brilliant and I definitely would recommend this girl. In fact, I will be going back very soon and I wouldn't be surprised if I become a regular.

We all know that this kind of thing is not real but I must have got the very nearest thing to it! I've paid ?200 plus for much less so here is one happy chappy!
