The Premises:

Basement flat on busy road 4 minutes walk from Earl's Court tube. Quite dimly lit entrance foyer, but nice clean room and good shower area. The flat is shared with at least one other girl who I saw briefly when leaving (possibly Sarah from the same agency).

The Lady:

First impression (and it was simply lit) was that this may not be the girl in the photos and was slightly disappointed. However, in a little more light and when she smiled, her face lit up and she was, indeed, quite a cute, pretty girl. Wonderfully firm body, particularly her ass, nice slim waist. A definite size 8, 5 ft 4 max. 20-year old with a very, very slight tummy (but hey, this is being overly critical). In short, a beauty.

The Story:

Nice shower. She took off her top to reveal lovely pert breasts and she quickly got down to business. I removed her panties to reveal, a beautifully, neat shaved pussy. Some fingering and licking in this area (very clean) revealed it to be moist, tight and just about the most beautiful pussy you will ever lay your eyes on.

OWO excellent and had to end it before I shot my load. I asked for a condom, which (and there is a God) she put on using her mouth - fantastic. Quick session of cowgirl and spoons was followed by a nice chat and wine.

Second round followed with more OWO and I'm not one for managing sex twice in an hour too often, but here was no problem with extended doggy on the bed holding onto her lovely slim waist. The noises from her sounded genuine.

Asked her at this stage if she did anal, unfortunately not, but she does do two girl - maybe next time. Session ended with a nice massage.

Juliet is a lovely, sweet and intelligent young lady earning some money to pay for studies back in the Ukraine next year. A lovely all round GFE.
