The Story:

Never seen Danni before but when she entered the room and greeted me i was very happy indeed. she came in very friendly and she asked what i wanted and what would i like her to wear and what kind of session i wanted. I just went for a light tie & tease first and then got into things i can't really say but i left with a smile on my face and thought it was money well spent. she seemed to really enjoy the session as much as i did. At the end of the session she was still very friendly and didn't rush me out of the door. I'm coming back and in more ways then one. thanks Danni you really made my weekend!
