started with a back massage, gently rubbing my balls, she removed all the black heads from my back (the pain turned me on). She lay beside me & french kissed my face off while playing with my old chap, boy can she suck cock. I asked if she recieved oral, she said if i could make her cum i wouldn't have to pay extra ?10. (all extras are ?10 each) As it happened i didn't have to pay, she got so wet & tasted like nectar. On with the hat & this is private between me & her, all i can say guys is pay her a visit & feel for yourselfs..
