The Premises:

Roz's place is a clean and tidy ground floor flat in a quiet residential area, a short walk from Chiswick Park tube station. No curtain twitchers. Felt safe.

The Lady:

Roz is a really attractive mid-forties natural blonde with a figure that a lady half her age would be proud of. The pictures on her site do not do her justice. She is slim with the cutest little bum I have seen in a long time and a very pretty lady.

The Story:

As I walked in the front door I received a welcoming kiss from Roz, which I thought was a nice start. I was offered a drink and got the paperwork out of the way whilst having a chat to get to know each other. Then we went to the bedroom to get to know each other even better. Roz doesn't have a fixed agenda and asks you what you want to do. I won't go into details, but all my requests were granted with a smile and enthusiasm. So if you like a woman of a certain age who loves to kiss and cuddle and makes you feel wanted then I thoroughly Recommend Roz.

Will I return? You bet I will when funds allow.
